

Board of Trustees  
Schulenburg Independent School District

**Resolution Concerning Student Transportation under Hazardous Conditions within Two Miles of School**

**State of Texas**

**County of Fayette**

**Whereas, Highway 77 and Highway 90 pass thru Schulenburg, TX, and within 50 feet and about 300 yds from the school boundaries create Extremely Hazardous Traffic for most all of students**

**Whereas, these students would be placed in Harm's way by walking or riding their bicycles to school and crossing these highways; and**

**Whereas, the District recognizes the Hazardous Area, the District will allow these students to ride District owned Transportation both to and from school; and**

**Whereas, the District under TASB / CNA (Local) is following its yearly obligation to so designate our Hazardous Traffic Situations.**

**Resolved that the Schulenburg Board of Trustees Recognizes that both Highway 77 and 90 are both Hazardous areas for our students to cross.**
