### **Mission Statement**

At SES, through a welcoming and inclusive environment, we empower and encourage each other to discover our own unique potential and understand that mindset determines our direction.

### Vision

### Our Students...

- Are excited, engaged, and motivated
- Demonstrate strong character values and ethics
- Possess the knowledge and skills to be "future ready"
  - Rise to challenges and manage life's adversity
  - Exhibit pride in their school and in themselves

Our learning environment provides...

- Safe and secure campuses
- Inviting classrooms created by highly qualified teachers
- Interactive teaching in a modern, technologically advanced, and structured environment
  - Mutual trust and respect for all students
  - Shared resources to unite the community, home, and school
- A variety of strongly developed programs to explore social, academic, vocational, athletic, and artistic opportunities

Our district and community...

- Unites in purpose and vision through effective communication and partnerships
  - Cultivates a strong sense of pride and commitment
    - Provides resources that facilitate success
    - Values, supports, and respects diversity

#### **Core Beliefs**

## **State Goals and Objectives**

## The State of Texas Public Education Mission and Academic Goals

The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation. That mission is grounded on the conviction that a general diffusion of knowledge is essential for the welfare of this state and for the preservation of the liberties and rights of citizens. It is further grounded on the conviction that a successful public education system is directly related to a strong, dedicated, and supportive family and that parental involvement in the school is essential for the maximum educational achievement of a child.

### The State of Texas Public Education Goals

GOAL #1:	The students in the public education system will demonstrate exemplary performance in the reading and writing of the English language.
GOAL #2:	The students in the public education system will demonstrate exemplary performance in the understanding of mathematics.
GOAL #3:	The students in the public education system will demonstrate exemplary performance in the understanding of science.
GOAL #4:	The students in the public education system will demonstrate exemplary performance in the understanding of social studies.

## The State of Texas Public Education Objectives

Objective #1:	Parents will be full partners with educators in the education of their children.
Objective #2:	Students will be encouraged and challenged to meet their full educational potential.
Objective #3:	Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma.
Objective #4:	A well-balanced and appropriate curriculum will be provided to all students. Through that curriculum, students will be prepared to succeed in a variety of postsecondary activities, including employment and enrollment in institutions of higher education.
Objective #5:	Educators will prepare students to be thoughtful, active citizens who have an appreciation for the basic values of our state and national heritage and who can understand and productively function in a free enterprise society.
Objective #6:	Qualified and highly effective personnel will be recruited, developed, and retained.
Objective #7:	The state's students will demonstrate exemplary performance in comparison to national and international standards.
Objective #8:	School campuses will maintain a safe and disciplined environment conducive to student learning.
Objective #9:	Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.
Objective #10:	Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.
Objective #11:	The State Board of Education, the agency, and the commissioner shall assist school districts and charter schools in providing career and technology education to students.

#### **TEA Strategic Plan**

By the year 2030, projections indicate that most jobs will require some training beyond high school. This could be a traditional 4-year degree, a 2-year associate's, or an industry credential. But today, too few Texas students are obtaining postsecondary credentials. Without bold action, Texas faces a future of diminished incomes, opportunities and resources. Initiated by the Higher Education Coordinating Board, the 60x30TX Plan is designed to ensure that a competitive and prosperous future remains for students seeking to better their lives and the lives of their families. The state has adopted 60x30TX as our collective goal.

In an effort to support far more rapid improvements in student outcomes to meet the goals of 60x30TX, the Texas Education Agency has adopted a strategic plan. The plan includes four strategic priorities and built on three supporting actions to guide our work on behalf of the more than five million school children in our state.

## Every child, prepared for success in college, a career or the military.

## **TEA Commissioner's Strategic Priorities:**

1 2 3 4
Recruit, support, retain teachers & principals and math Suid a foundation of reading teachers & principals and math Suid a foundation of reading teachers & grincipals and grincip

### **Enablers**

Increase transparency, fairness and rigor in district and campus academic and financial performances

Ensure compliance, effectively implement legislation and inform policymakers

Strengthen organizational foundations (resource efficiency, culture, capabilities, partnerships)

## **Federal, State and Local Funding Sources**

Federal funding sources will be integrated and coordinated with State and Local funds to meet the needs of all students.

This schoolwide program will consolidate funds in the following way: <u>Title I, Part A only</u> [ESSA Sec. 1114(b)(7)(B)]

Federal Programs Total Expenditures

Subtotal of additional federal funds included for this school: \$

State or Local Programs Total Expenditure

Subtotal of state or local funds included for this school: \$

Total of federal, state, and/or local funds for this school: \$

## **Comprehensive Needs Assessment Summary**

#### **Demographics**

#### **Overall Summary**

The staff at Schulenburg Elementary School include 32.7 teachers, 9.0 paraprofessionals, and 1.0 administrators. The student population is 36.1% White, 15.6% African American, 42.2% Hispanic, 2% Asian, and 3.4% Two or More Races. Additionally, the campus serves 70.4% economically disadvantaged students, 16.3% special education students, and 20.7% Limited English Proficient students. Attendance rates include 98.9% African American, 99.2% Hispanic, 99.4% White, and 99.1% economically disadvantaged. The most current data indicate the campus has a 11.5% mobility rate.

#### **Summary of Strengths**

What were the identified strengths?

We have diversity in our population.

#### **Summary of Needs**

What were the identified needs?

The population of students receiving special education services is increasing, and effective scheduling is a challenge in order to meet the needs of all students.

Need to identify strategies to increase attendance, particularly with African American, Special Education, and Economically Disadvantaged student sub-populations, as attendance positively correlates with student achievement.

Increase student engagement and achievement with the use of high yield instructional strategies, and make data informed decisions to drive instruction and interventions.

#### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Training and utilization of the TEKS Resource, TEKS Guide, and Sharon Wells Program to ensure we provide a viable and aligned curriculum.

## **Student Achievement**

## **Overall Summary**

The following data was reviewed in relation to Student Achievement:

STAAR scores; TAPR Report; Core Content Curriculum

Upon review of data from the sources noted above, these findings were noted:

- 1. Gaps exist in Hispanic, Economically Disadvantaged, and EL students compared to White and all students' scores.
- 2. Student scores are lower in Reading than other scores.

### **Summary of Strengths**

What were the identified strengths?

A strong phonics based reading program has been implemented in grades K-2. Additional professional support is offered through the Reading Academy.

Growth shown in multiple grade levels.

#### **Summary of Needs**

What were the identified needs?

Provide better collaboration between grade level teachers, RtI teachers, and SPED teachers to monitor students, to close the gaps from prior years.

Utilize data from assessments to drive instruction and improve academic achievement.

Training and utilization of the TEKS Resource, TEKS Guide, and Sharon Wells Program to ensure we provide a viable and aligned curriculum.

Develop and implement a stronger writing process to include cross-curricular writing on a more frequent basis.

#### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Show improvement in standardized testing. Federal funding will be used to provide personnel costs for staff to support improving student performance on standardized testing.

#### **School Culture and Climate**

## **Overall Summary**

Collaboration between the staff and administration has continued to be flexible, leading to more effective communication and collaboration on the campus.

The teachers would like to have more time to collaborate with vertical and horizontal alignment teams.

## **Summary of Strengths**

What were the identified strengths?

Staff morale has improved based on communication between staff, administration, and community members.

### **Summary of Needs**

What were the identified needs?

Time and scheduling: Collaboration among teachers needs to focus and align instruction and curriculum, vertically and horizontally, and allow teachers to observe their peers.

Effectively communicate using multiple forms of communication.

Consistent implementation of campus-wide plan for academic and discipline expectations.

#### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Effectively communicate using multiple forms of communication.

Collaboration among teachers needed to focus and align instruction and curriculum and to share best practices.

Consistent implementation of campus-wide plan for academic and discipline expectations.

## **Staff Quality/Professional Development**

#### **Overall Summary**

The following data were reviewed in relation to Staff Quality, Recruitment, and Retention:

- 1. Increase ways of recruiting and retaining new teachers.
- 2. Continue looking for ways to build staff morale.

## **Summary of Strengths**

What were the identified strengths?

Mentor teachers, TEKS Resource System and professional development are use to assist new hire teachers and struggling teachers in core areas.

## **Summary of Needs**

What were the identified needs?

Maintain competitive salaries and benefits.

Mentor new teachers.

Teachers need time to meet with each other to work on alignment and meet with the principal to go over the benchmark data during the school day (not after school).

#### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Monitor surrounding schools salary chart
Assign mentor teachers to new hire and struggling teachers

#### Curriculum, Instruction, Assessment

#### **Overall Summary**

The district has TEKS Resource and TEKS Guide;

Sharon Wells Math Curriculum for Grades 2-5;

A variety of professional development options are available to staff;

A variety of assessments are used to determine to academic achievement including benchmarks, STAAR, and other standardized assessments.

## **Summary of Strengths**

What were the identified strengths?

Teachers are familiar with TEKS Resource System and use the year-at-a-glance for planning their school year.

## **Summary of Needs**

What were the identified needs?

- 1. Training on how to use the components of the materials we have before the current school year ends, so there will be time to work on implementation.
- 2. Training on how to properly use the TEKS Resource and TEKS Guide to develop consistent high level instruction.
- 3. Increase student engagement with the use of high yield instructional strategies.
- 4. Disaggregation of data to drive instruction and interventions.

## **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Improve standardized test schools in all areas.

## **Family and Community Involvement**

### **Overall Summary**

SES's family and community involvement is limited, however, we are providing more opportunities for parents and community members to be more involved in school.

## **Summary of Strengths**

What were the identified strengths?

We provide multiple opportunities for parents and community members to be more involved in school (Reading Night, STEM Night, Kindergarten Meetings).

Shorty's Snack and Learn has been beneficial for the teachers and paras to go into the community to build the relationship with families, while also working with the students on curriculum.

The Super H.O.R.N.S. program allows positive male role models to be a part of the school day for the students.

A weekly newsletter is sent out to the families, as well as placed on social media.

## **Summary of Needs**

What were the identified needs?

- 1. Increase parental communication in a variety of ways, especially to Spanish-speaking families. Provide Spanish translation services to families by having a designated translator on the elementary campus (teacher or paraprofessional).
- 2. Increase efforts for parents and community to participate in school activities.

#### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Continue to encourage parent and community involvement.

## **School Context and Organization**

### **Overall Summary**

A master schedule has been developed to include physical education, music, character education, MakerSpace, Enrichment time, as well as an opportunity for teacher PLC's weekly. These will promote student success and data disaggregation.

#### **Summary of Strengths**

What were the identified strengths?

PLC time is devoted to discussing student successes and failures, and plans are made based on data and collaboration; with documentation provided to the campus administrator.

After school tutorials for core subjects offered after the second nine weeks.

Surveys are given to provide a voice to teachers in the areas of decision making and school policies.

Summary	of N	leeds
---------	------	-------

What were the identified needs?

Class size (too large or too small) is sometimes encountered.

Sometimes it is difficult to find teachers willing to help teach after school tutorials.

### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Professional development opportunities for all staff.

## **Technology**

#### **Overall Summary**

The upgrade of recent technology will allow the students to be more efficient in their daily work.

## **Summary of Strengths**

What were the identified strengths?

We are currently a one-to-one campus for grades K-5.

### **Summary of Needs**

What were the identified needs?

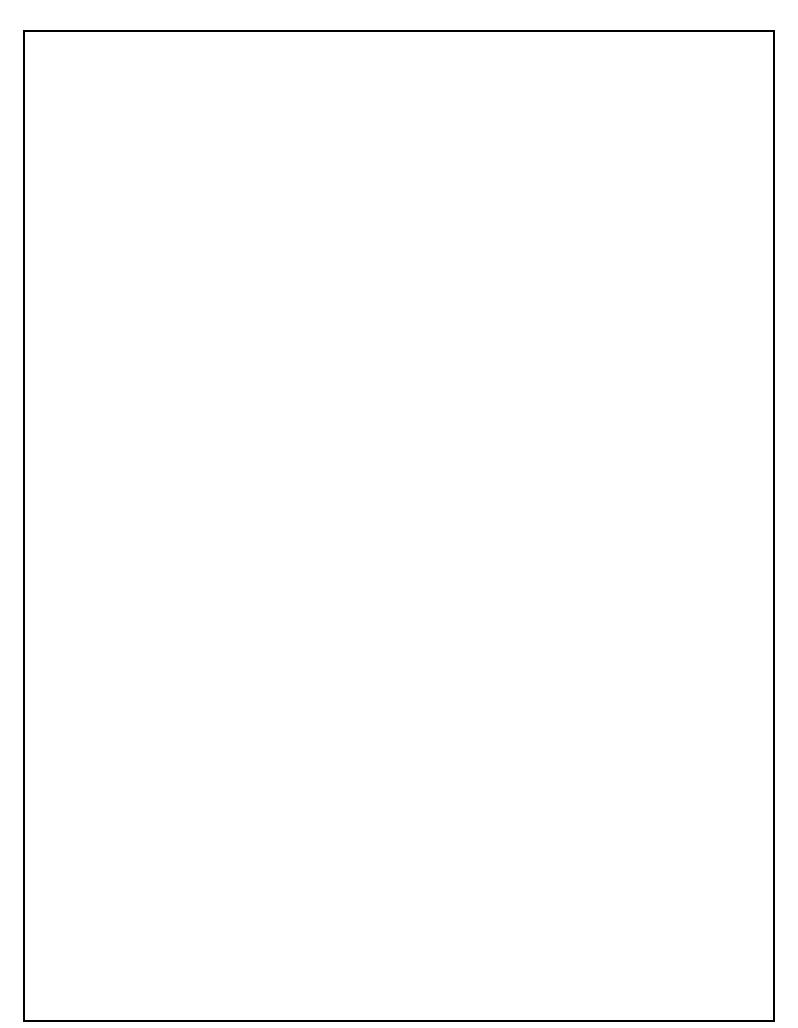

Continue professional development of appropriate balance of use of technology in the classroom. Finish updating teacher devices with newer technology.

#### **Priorities**

What are the priorities for the campus, including how federal and state program funds will be used?

Continue to monitor programs available to students to promote academic growth.

## **Goals and Strategies**

## **Goal 1: All Core Subjects**

Goal #1 - SES will target the needs of learners to inspire a vision and help students plan and prepare for post-secondary, military, and/or technical education, creating a positive work ethic, and encouraging responsible citizenship.

## **Performance Objective 1:**

Objective #1 - Increase the percentage of students receiving at or above the standard score for state standardized tests in Math and RLA (Reading/Language Arts).

## **Evaluation Data Source(s):**

Benchmark data, Unit tests

#### **Summative Evaluation:**

TAPR, STAAR

## Strategy/Activity 1

Provide accelerated instruction to close the gaps for students in need (HB 4545 requirement).

CSF 1

Critical Success Factor(s) CSF 2

CSF 4

#### Timeline

August 2023 - May 2024

## Person(s) Responsible/Monitor

Principal, Teachers, & Math and Reading Interventionists

## Strategy's Expected Result/Impact

Increase student performance at/above grade level standards.

# **Goal 4: All Core Subjects**

Goal #2 - SES will expect that for the 2023-2024 school year, at least 80% of all students will meet or exceed the achievement standard for the state standardized tests in Math, RLA, and science.

### **Performance Objective 1:**

Objective #2 - SES will improve student learning and achievement through regular, targeted professional development for all staff.

### **Evaluation Data Source(s):**

Benchmarks, TAPR, STAAR

### **Summative Evaluation:**

STAAR, TAPR

### Strategy/Activity 1

Professional development will be offered throughout the year to ensure that all staff maintains highly effective status.
